

2016 COURT TENNIS ACADEMY

@ THE TUXEDO CLUB

JULY 18TH -22ND, 2016

The 3RD Annual USCTA/USCTPF Court Tennis Academy was a resounding success on every level. 16 Players participated in this year's academy on the beautiful campus of the Tuxedo Club. Tuxedo's legendary hospitality and fantastic facilities provided a superb venue for the week. With the USCTA Nationals looming at the end of the week, all the participants were keen to improve their games with coaching from Tuxedo's staff of professionals. Many spectators (parents in particular) noted the marked improvement of play after a week in Tuxedo. Juniors representing 3 US based clubs along with one player from the UK participated this year; with hopes of having representation from double the US Clubs next year...and the organizers have already been told the UK will be sending more players in 2017. Thanks to all the supporters of Junior Court Tennis in the US as well as The Tuxedo Club for putting on such a great week for the Juniors.
