UNITED STATES PROFESSIONAL SINGLES CHAMPIONSHIP

Playing for the Schochet Cup

THE NATIONAL TENNIS CLUB
AT THE INTERNATIONAL TENNIS HALL OF FAME

NEWPORT, RHODE ISLAND

SENTIMENTS FROM THE WORLD CHAMPIONS

No one has done more to advance real tennis than Jay and Suzie Schochet. Together, they have been truly a team of unique world champions when it comes to generously supporting our great sport, particularly at the professional level.

And for that, we all, from top-ranked professional down to the lowliest amateur, should be most grateful, for it is seeing the game played beautifully at the highest level which inspires us.

The 2018 United States Pro Singles Championship, playing for The Schochet Cup, now being held at the National Tennis Club at the International Tennis Hall of Fame in Newport, Rhode Island, could not have gone forward without the incredible support of Jay and Suzie.

We grieve that Jay is no longer with us. But his spirit is very much present. Please join us in thanking him and Suzie by doing everything we can to keep our sport thriving.

Jay Schochet, right front, with Prince Edward in Newport.

INTERNATIONAL TENNIS HALL OF FAME

Dear Players, Sponsors, and Fans,

It is an absolute pleasure to welcome everyone to the National Tennis Club at the International Tennis Hall of Fame for what will most definitely be an outstanding week of Court Tennis.

Each year the United States Pro Singles for the Schochet Cup provides a demonstration of athleticism, grace, camaraderie, and sportsmanship that is fitting of the world's longest living racquet sport and the historic home of the sport of tennis. It is our privilege to have the great athletes, fans, benefactors, and historians with us to enjoy the sport played at the very highest level. The event's tradition and history are critical elements of the club's activities that the ITHF is committed to preserving and showcasing.

The success of the event is underpinned by the vision and generosity of Jay and Susie Schochet, the stewardship and leadership of the sport in the USCTA and USCTPF, the passionate support of the NTC at the ITHF members, our sponsors and many other contributors, and Court Tennis fans who value the sport and are committed to its development while preserving its history.

I hope that you will take advantage of visiting the International Tennis Hall of Fame's Museum to learn more about tennis history while you are here. Fittingly, one of the first exhibits you will encounter is focused on Court Tennis, its rich history, and its impact on the evolution of racquet sports.

Thank you all for joining us this week in Newport. Enjoy the competition, the festivities, and your time on the campus at the ITHF.

Todd Martin
CEO, International Tennis Hall of Fame

ON BEHALF OF THE USCTA,

GOOD LUCK TO ALL THE PROS, AND

THANK YOU TO THE NATIONAL TENNIS CLUB

AT THE INTERNATIONAL TENNIS HALL OF FAME

FOR HOSTING THE SCHOCHET CUP.

ADDITIONAL THANKS TO ALL THE VOLUNTEERS,

SPONSORS, AND SUPPORTERS

WHO HAVE MADE THIS EVENT POSSIBLE.

On behalf of the United States Court Tennis Association, welcome to the 2018 United States Professional Singles playing for the Schochet Cup. This tournament, begun in 1974, is one of the oldest and most prestigious professional events in the world. For decades, it has been a mainstay of the Newport summer fixtures list. The support of the club—its professionals, its leadership, its many volunteers and most of all generous friends like Jay & Suzie Schochet—has been the central reason why it is a beloved tournament.

Camden Riviere, a former professional here, has hoisted the Schochet Cup for the past eight years, an unprecedented run. Many great players have won the title, including all four of the world champions since 1981 and four other Americans. Cam is tied with Rob Fahey, the current world champion, for the all-time tournament record of total wins. If Cam can clinch a victory on Saturday and capture his ninth title, it will be a historic moment for the game. He is on his way to establishing a record that might never be broken.

Thank you to the International Tennis Hall of Fame, Mike Gooding, Nick Howell, the U.S. Court Tennis Preservation Foundation and all the individuals who have made this year's U.S. Professionals so special. In particular, I want to recognize the longtime support of Dan diBartolomeo and Northfield Information Services, Inc, which has been critical to maintaining the tournament's position as one of the majors on the global tennis circuit.

Sincerely,

Jim Zug
President, USCTA

*Play well. Have fun.
Best wishes,
Jane, Bert and Caroline Lippincott*

MURPHY'S LAW

On the Rules of the Game

“**T**he chess-board is the world; the pieces are the phenomena of the universe, the rules of the game are what we call the laws of Nature. The player on the other side is hidden from us. We know that his play is always fair, just, and patient. But also we know, to our cost, that he never overlooks a mistake, or makes the smallest allowance for ignorance.” — T.H. Huxley
