

June 20 is International Tennis Day

2019 marks the SIXTH year of International Tennis Day and our aim is to have as many courts as possible participate and celebrate tennis on June 20. We look forward to your photos and stories! Use the hashtag #iTennisDay on all your posts and email us at info@internationaltennisday.com.

Get A Free Grille Banner

We have a shipment of ITD banners headed to the UK at the end of April. If you do not have one, please request one [here](#) and we will deliver one to your Club before June 20.

Play Tennis and Celebrate ITD!

On June 20, play tennis! Schedule a block of matches or a tennis tournament at your court. The more matches the better to get players involved with International Tennis Day.

Please let us know what your Club is planning for June 20 by emailing info@internationaltennisday.com so that we can keep track of this tennis celebration as it grows each year.

Lastly, Please Share

On and around June 20, the best way to share your photos and stories is on **Instagram**.

Your photos and stories are important to show the world that our tennis community is active and growing.

Tag us by typing @iTennisDay and use the hashtag #iTennisDay on all your posts. We will repost, retweet, and share! You can also email info@internationaltennisday.com.
