Ellen and Stephen DeVoe

Dear Players, Sponsors, and Fans,

It is a pleasure to welcome everyone to the National Tennis Club at the International Tennis Hall of Fame for the 2024 United States Professional Singles playing for the Schochet Cup.

Amidst a very busy calendar of events on the ITHF campus, the US Pro is a true highlight. The sport of Court Tennis (or Real Tennis/Royal Tennis/Jeu de Paume) is centuries old and incredibly well-preserved. All of us here at the ITHF deem it a great privilege to showcase this history in the context of the historical home for TENNIS.

A critical element of court tennis' heritage is the collective values that the sport demands and instills in its players. These values are embedded here at the ITHF, in the museum, through our digital content, and at the core of the Hall of Famers.

I also wish to acknowledge the namesakes of the trophy, Jay and Suzie Schochet. The Schochets' dedication to court tennis, particularly this venue, has been most impactful and continues to be greatly appreciated. In addition to the Schochets, we have many other supporters to thank. We are grateful to the USCTA, the USCTPF, and our "local" NTC advisory group for all they continue to do to lead the sport forward. It's an historic game with a bright future, thanks to their continued efforts.

Please take some time to look through this program to learn more about the additional supporters. They are all vitally important to the success of this prestigious event. On behalf of the members and the staff of the NTC and the International Tennis Hall of Fame, I wish you tremendous enjoyment of this royal game played at a level that astounds all of us.

Thank you for joining us!

Dan Faber

CEO, International Tennis Hall of Fame

In Honor of Suzie and Jay Schochet

Dear Jay and
Suzie Schochet,

While Jay may be watching from above, he will know that we celebrate his vision 20 years ago to endow the world's best professional tennis tournament and assure its future in Newport.

With heartfelt appreciation for the lifetime of leadership by the entire Schochet Family from your Newport friends, thrilled spectators, and the world's top professionals, competing in the U.S. Pro Singles for the Schochet Cup - you have shown us how to preserve and strengthen traditions of great value to future generations, and your gifts which gave rise to this tournament continue to be the standard by which all others are measured...

Respectfully,
Jonathan Pardee

On behalf of the United States Court Tennis Association, I would like to welcome you to the 2024 United States Professional Singles playing for the Schochet Cup. This tournament not only marks the beginning of the summer court tennis season, but also of an exciting new era for our game here in Newport at the International Tennis Hall of Fame. The USCTA was honored to partner with the Preservation Foundation and the ITHF last year to support the National Tennis Club, and we are excited to continue that partnership with new CEO Dan Faber, ITHF leadership, and Tony Hollins as Head Court Tennis Professional.

The US Pro Singles has long been the NTC's marquee annual event and the USCTA is grateful to the ITHF, the USCTPF and the Schochet family, as well as the whole Newport tennis community for continuing to support this tournament at such an outstanding level. It is a difficult task for a club to step up year after year and the NTC has consistently hit chase better than a yard on the prize money and the planning (no baseball analogies here!).

I invite you to enjoy the social events and camaraderie that this tournament is so well known for, alongside what I am sure will be a week of outstanding play on court.

Play well!

UNITED STATES
COURT TENNIS
PRESERVATION
FOUNDATION

The United States Court Tennis Preservation Foundation is pleased to again support the US Professional Singles playing for the Schochet Cup. This major event for the world's professionals deserves all the support that can be mustered. The USCTPF happily works with the court tennis professional community in building new players and improving existing ones, while the pros improve our game on the front lines. We know it is the professionals we have to thank for the vibrant state of the game today.

As custodians of the Schochet Endowment the USCTPF is able to provide substantial, non-prize money to support this annual event which brings world class court tennis to the National Tennis Club at the International Tennis Hall of Fame. We are honored to have maintained the endowment so generously created by the Schochet Family.

As part of the USCTPF's efforts to support and encourage the court tennis community, we have entered into a 5-year partnership with the ITHF in an effort to keep the NTC among the top court tennis programs in the world. We thank Brewer Rowe and Tony Hollins for their leadership as well as welcoming Dan Faber to our game. Thank you as well to the local committee for their hard work.

Enjoy the wonders of Newport, of which there are many!

Sincerely,

Bill
