USCTPF

United States Court Tennis Preservation Foundation

Our Objectives

In working to build for the future of court tennis, while maintaining its core values and preserving its history, the USCTPF acts as a fiduciary partner in fostering the growth of court tennis through several core national programs.

Player Development

Working with the USCTA, athletic clubs, and professionals, the Foundation supports the development of juniors, elite juniors, women, and top amateur Court Tennis players.

Court Preservation & Restoration

From our current project in Charleston to the development of the court in Washington, the Foundation works alongside committed donors to improve the condition of courts throughout the U.S.

Dear Players, Sponsors, and Fans,

It's a true pleasure to welcome you to the National Tennis Club at the International Tennis Hall of Fame for the 2025 United States Professional Singles, competing for the prestigious Schochet Cup.

With a full calendar of events taking place across the ITHF campus, the US Pro stands out as a true highlight. Court Tennis—also known as Real Tennis, Royal Tennis, or Jeu de Paume—is a centuries-old sport that remains remarkably well-preserved. At the ITHF, we are honored to present this historic game within the historic home of TENNIS.

A defining aspect of Court Tennis is the strong set of values it both demands and fosters in its players. These values are deeply rooted in the fabric of the ITHF—reflected in our museum, our digital initiatives, and the lives and legacies of our Hall of Famers.

We also extend our sincere appreciation to the trophy's namesakes, Jay and Suzie Schochet. Their enduring commitment to the game—and particularly to this venue—has left an indelible mark and continues to be deeply valued. In addition to the Schochets, we are thankful for the continued support of the USCTA, the USCTPF, and our dedicated local NTC committee members. Their passion and leadership ensure this historic sport continues to thrive with a promising future.

As you enjoy this event, we encourage you to explore this program to learn more about the generous supporters who help make it all possible. Each one plays a vital role in the success of this esteemed tournament.

On behalf of the members and staff of the National Tennis Club and the International Tennis Hall of Fame, we hope you thoroughly enjoy this extraordinary sport—played at a truly awe-inspiring level.

Thank you for being with us!

Dan Faber

CEO, International Tennis Hall of Fame

ITHF

In Honor of Suzie and Jay Schochet

Dear Jay and
Suzie Schochet,

While Jay may be watching from above, he will know that we celebrate his vision 20 years ago to endow the world's best professional tennis tournament and assure its future in Newport.

With heartfelt appreciation for the lifetime of leadership by the entire Schochet Family from your Newport friends, thrilled spectators, and the world's top professionals, competing in the U.S. Pro Singles for the Schochet Cup - you have shown us how to preserve and strengthen traditions of great value to future generations, and your gifts which gave rise to this tournament continue to be the standard by which all others are measured...

Respectfully,
Jonathan Pardee

Dear Players, Guests, and Members of
the Court Tennis Community,

On behalf of the United States Court
Tennis Association, it is our great
pleasure to welcome you to the U.S.
Professional Singles Championship
for the Schochet Cup, hosted at the
National Tennis Club on the grounds of
the International Tennis Hall of Fame in
Newport, Rhode Island.

This prestigious event brings together the finest professionals
in the world to compete for one of American Court Tennis'
most coveted titles. The Schochet Cup stands not only as a
symbol of athletic excellence but also as a tribute to Jay
Schochet, whose generous contribution to the sport has
helped shape its present and future in the United States.

The National Tennis Club, with its historic setting and deep
roots in our sport's heritage, provides a fitting stage for this
championship. We are proud to celebrate both the tradition
and evolution of court tennis through this tournament, and
we are grateful to all the players, supporters, officials, and
volunteers who make it possible.

To the players, we commend your dedication and passion,
and we wish you the very best as you compete for the title.

To all in attendance: thank you for being part of this special
occasion and for supporting the continued growth of our
extraordinary game.

With warmest regards,

A handwritten signature in black ink, reading "Dacre C. Stoker".

Dacre C. Stoker
President, United States Court Tennis Association

Since its founding in 1985, Northfield has helped investment professionals incorporate the latest financial research into their investment decisions and processes. Based on sound theory, our services are geared towards helping clients solve real investment and operational problems.

Northfield's sophisticated, user-friendly analytical tools help investment professionals analyze and manage the risk and return characteristics of active and passive portfolios. Our services offer solutions for Asset Allocation, Global balanced (equity and fixed income), Global Equity, and single-country portfolio construction/optimization, risk management and performance attribution.

The Northfield philosophy stresses long-term individualized partnerships; all of the firm's research and services are willingly adapted to the client's specific needs. Our staff is committed to providing the highest level of service.

Based in Boston, Northfield is privately owned and has no affiliation with any firm in the financial services industry.
